

November 8, 2017 - PartitionGuru is a powerful and user-friendly hard drive partition management application with data recovery capabilities. The program is perfect for splitting hard drives in order to increase free space for files and backups, or vice versa, for dividing one hard drive into several parts. The program is easy to use and has a clear interface. With it, you can divide the hard drive, resize it, and even split it into parts. PartitionGuru has the ability to recover data from damaged hard drives, allows you to backup data, and is free.
