*The game itself is quite basic and unappealing. But if you like a game that is more mature and in which you can just enjoy the story, then this game is perfect for you. Though the player can level up their character to 100, there is not much that you can do to make your character stronger than others. If you just want to feel the excitement of leveling up from 10 to 100 in the legendary world of Tarnished and become an Elden Lord, this game is for you. HOW TO PLAY TARNISHED: *You can play the game with a normal controller or wireless controller. *You can also play with your smartphone. * If you're playing on a smartphone, the touchscreen can be used to receive messages. *If you're playing on a smartphone, a touch method is required. *Some features of the game might be unavailable depending on your smartphone. ABOUT MOBILE GAME: This game was developed by Distinctive Software and Netmarble Korea in cooperation. Netmarble's video game unit "NGEN Korea" is headquartered in Korea, and continues to be ahead in the world's community of developers. ABOUT NGEN KOREA It is a unit of Netmarble where development of games is done, and consists of eight departments including R&D, Product Marketing, Product Operation, Business Operation, Business Intelligence, Client Operations, Internal Evaluation and Support. They have a strong vision of "Challenges for Game Development", and actively engage in new frontier development with the cooperation of long-established companies and the support of new companies. Through this, Netmarble is able to secure the capacity to evolve into a game development base with a large portfolio, in addition to actively developing game contents. We'd like to ask you for a review! If you want to know more about the game, we would really appreciate it if you could take a moment to rate the game on PlayAsia. Thank you very much! Reviews Rated 5 / 5 stars2017-10-03 19:17:57 Great new MMO I have no clue who they are or what they're doing, but I love the idea and the concept of this game and am glad to see it live on. The animations were gorgeous and the concept is really fun. I like the feeling of progressing through class and becoming more powerful, but more important

Features Key:

Express in Graphic Style An anime style with a distinctive stylized image that lets you capture the sense of excitement when you feel a surge of activity within the sword. In the game, the eyes of people and monsters glow orange when they are about to kill you. It lets you explore not only the present but also the past.

Variety of Battle Styles In order to fulfill the theme of the game, various strategies such as defense, dive, and speed are present. You can change your strategy according to your play style, change teams, and use powerful skills.

A Vast World that Is Endless and Exciting The world in the game is vast and has a wide variety of environments. A vast desert plateau, a region full of terrifying beasts, and a deep sea were all prepared for you to enjoy a world of exhilaration.

Modding Powered by the Unreal 4 Engine The sophisticated system allows easy modification to the development of your world.

Advanced Visual Expressions A world full of 3D, and in short, the graphics are anime-like, so they are packed with the characters and effects that give a punch to your senses.

Amazing Battle System Various difficulty settings and allies let you enjoy fighting with a unique twist.
